

Automatic monthly giving

The easy way to tithe

With one form, you can set up a monthly gift that goes directly from your bank checking account to St. Ambrose Cathedral. We'll know this is for your tithing – your basic support of our church and our parish life.

Why choose automatic giving?

It makes the weekend easy.

No more looking for cash, checks or envelopes on your way to church! Your gift happens every month, just as you planned, without any effort from you.

Our parish feels your steady support.

The parish must pay obligations every month – and your steady support is there to help.

It's an efficient process.

The parish saves the expense of weekly envelopes, and it takes less staff time to record your giving.

"I felt awkward at first, not putting money into the collection basket at Mass.

"But now I just feel good that the parish can count on my steady support. Even when I'm away, my heart and my support are with my faith family."

How does automatic giving work?

1. Decide how much you'd like to give each month, and whether you want to give on the 1st or 15th of each month.
2. Fill out the simple form, and attach a voided check from your checking account. Parish staff can help you with the form, if you like.
3. Deliver the form to the parish office – in person, or by mail.
4. Parish staff will set up the transfer with your bank.

That's all. These gifts continue monthly unless you ask to stop or change.

Can I change my mind?

Of course. Just fill out a Change Form any time to stop the automatic gifts or to change the amount, date or bank account.

What about special-purpose gifts?

Please continue to give by cash or check to second collections or specific purposes. Automatic monthly giving is only offered for unrestricted tithing gifts.
