Our parish needs people right now for these ministries. Can you help?

Please tell me more about helping to:

Usher and greet people at Mass on Saturdays at 4:00 PM

You would not have to come every Saturday. You'll welcome people at the door & help visitors find what they need. You'll pass the offertory basket, and help make sure our worship space is safe and neat.

Lead or assist at Family Faith Experiences on Sundays between Masses (9:30 – 10:45 AM) in the Cathedral

Twice each month, all parishioners can join our Faith Formation families for faith experiences in the church. These hours are devoted to Adoration, Reconciliation, prayer, the rosary, or a presentation or service project. You can volunteer sometimes or often – to lead an activity, or to welcome & help people participate. New topics and ideas are welcome.

Sponsor RCIC young people between now and Easter.

We need a few volunteers who will meet with one or more families as their children (age 6+) prepare to receive Baptism, First Communion and Confirmation at Easter. We're starting an RCIC program for these families: Rite of Christian Initiation for Children. This resembles RCIA, but is tailored for young people. This is a chance to become faith friends with a family at a special time of life!
